INDEX TO WCV DB 16 1842 – 1844

This is a simple index constructed by the transcriber to somewhat mimic the usual indexes found in the WCV DBs, but missing from this particular DB. Some abbreviations: AD=Assignment of Dower; IBS=Indenture of Bargain & Sale; IT=Indenture in Trust; PA=Power of Attorney; RD=Relinquishment of Dower; s/o=son of; w/o=wife of. Please note that this is not an every-name index, so the DB must be carefully combed to reveal information often very valuable to genealogical studies. A few annotations have been made by the transcriber; please take or leave.
